

IT'S GOOD TO SEE YOU

(1977) Allan Taylor

D G D

It's good to see you, so good to see you

A D

Oh how I've missed you since I've been gone

D G D

I've crossed the oceans, travelled many lands

A D

And it's good to see you, to be in your home

There is something in me that needs to wander
There is many a land I have to see
When I'm far away in a land of strangers
I know my good friends think on me

CHORUS

When you are down, down on your fortune
You stand alone, sometimes alone
You look around you, looking for an open hand
Sometimes there's one, sometimes there's none

CHORUS

Oh it's a wonder, when it comes to friendship
No matter how far away, no matter how long
There's a constant thread that's never broken
It ties me to my friends and home

CHORUS;

CHORUS A CAPELLA + REPEAT LAST LINE.

Allan Taylor plays this song at around 90 beats per minute but you'll find the great Don Williams does a more soulful version @ about 65 BPM. If singing in the Key of G does not suit your voice, try another 1-4-5 set of chords (eg. A-D-E or C-F-G or D-G-A or E-A-B or F-Bb-C) but be aware of how the key alters the emotional temper of the song (eg. I think F is too upbeat!).
