

# THINK

Aretha Franklin 1968

## Chorus

D  
You better think (think)  
D                      G                      D  
Think about what you're trying to do to me  
D                      G                      D  
Think (think, think) Let your mind go, let yourself be free

## [Verse 1]

D                      G                      D  
Let's go back, let's go back Let's go way back when  
D                      G                      D  
I didn't even know you, you couldn't have been too much more than ten (just a child)  
D                      G                      D  
I ain't no psychiatrist I ain't no doctor with degrees  
D                      G                      D  
But it don't take too much high IQ to see what you're doing to me

## Chorus

D                      F                      G                      D  
Oh, freedom (freedom) freedom (freedom) freedom FREEDOM! x 2

## [Verse 2]

D                      G                      D  
There ain't nothing you could ask I could answer you but I won't (I won't)  
D                      G                      D  
I was gonna change, but I'm not If you keep doing things I don't

## Chorus

## [Verse 3]

D                      G                      D  
People walking around everyday playing games and taking scores  
D                      G                      D  
Trying to make other people lose their minds well, be careful, you're goin' to lose yours

## Chorus

## [Bridge]

G  
You need me (need me)  
And I need you (don't you know it?)  
Without each other  
There ain't nothing neither can do

## Chorus

D                      F                      G                      D  
Oh, freedom (freedom) freedom (freedom) freedom FREEDOM! x 4
