

# **Made My Day** by Tim Finn (1983) v.2

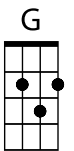

*This is a song for a BIG CHORUS where you really sing out on the bolded underlined lyrics!*

- 1** /G /C /Am /D  
Up here in my lonely room, holding on forever and a day  
/G /C /Am /D  
I guess it was serious, Under heavy weather  
/C /D  
Holding a lover, You can't help feeling  
/C /D  
Life is a bottle of Vintage wine  
/C /D  
All of a sudden you came along and..

**CHORUS** /C /G /C /G  
**MADE MY DAY,** (you made my) **DAY-Y-Y-Y--Y,**  
/C /G /D /D  
(came along and) **MADE MY DAY,** (you made my) **DAY-AY-AY,**

- 2** It's one of my golden rules: never let your guard down for too long.  
But you were nobody's fool. Made me see how wrong I was.

Holding you close in an open embrace, I realise there's nothing to lose  
All of a sudden you came along and...

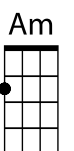

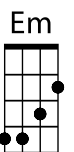

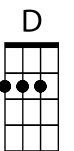

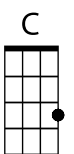

## **CHORUS**

### **BRIDGE**

*single strums!*

/C! /D! /G! /G!  
You came along in the Wintertime  
/Em! /D! /G! /C!  
Wrapped me up In your warm sunshine  
/Am! / Am! /D! /D!  
And I'm feeling fine

- 3** /G... etc  
Not meaning to sound absurd, but the murder of all that was me  
Is done and I'm glad of it. Let the guilty go free!

Holding a lover, you can't help feeling life is a bottle of vintage wine,  
All of a sudden you came along and..

**CHORUS x2** & conclude with a final gently strummed /G!
