Am
Lighthouse man can't help us all
C Some he'll save and some will fall

He'll show you where the danger lies
C But he can't help it if you capsizes
G Am

Am
'Cause he'll light your way but that is all
C Steer your own ship back to shore
G Am

Dm Am
Won't you light my lonely way back home
Dm This sea is full of misery and woe

G Am
They think they're safe enough on their own
C Drown in murky depths below
